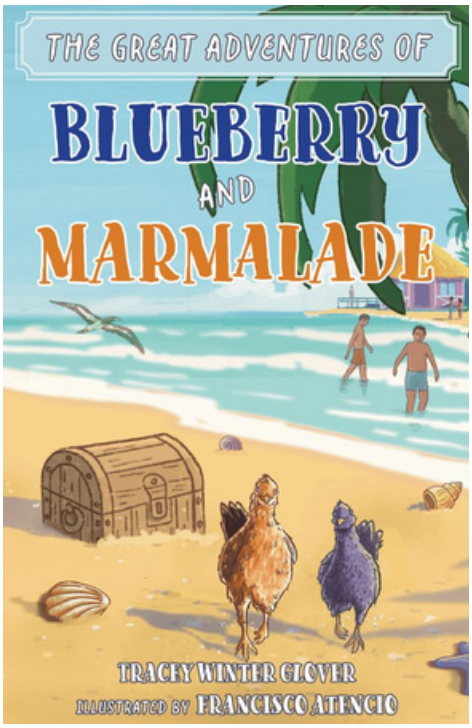
Blueberry and Marmalade



Bravery Comes in All Sizes

When tiny Blueberry hatches late and finds herself alone on a Caribbean island, she meets Marmalade, a cautious, speckled chick, and the unlikely friendship that saves them both. Together they face bully hens, a fruit seller with a box and a bad idea, and a moonlit raid by pirates who come to steal sleeping chickens. Meanwhile, a little girl named Abbie asks a question that changes everything.

A sun-soaked early chapter book full of humor and heart, about friendship, courage, kindness toward animals, and what it really means to be free. For readers ages 7–10.

If readers like *Babe: The Gallant Pig* by Dick King-Smith or *Mercy Watson* by Kate DiCamillo, then they'll love *The Great Adventures of Blueberry and Marmalade*.

Tracey Winter Glover is an activist, author, speaker, and filmmaker with a passion for animals, nature, and vegan living. She is the founder of the nonprofit animal rights group ARC and the director of Sweet Peeps Microsanctuary, a small sanctuary devoted to chickens rescued from animal agriculture. In her work, she tackles critical issues relating to animal welfare and the ways in which human beings relate to and impact the natural world.
