12 Willows Press Receives \$1,000 Green Grant to Support “Rivers of Ink: Literary Reflections on the Penobscot”

[Winterport, August 8, 2023] - 12 Willows Press has been awarded a \$1,000 Green Grant from [Bangor Greendrinks](#), a local organization that actively fosters sustainable local businesses through regular events. The grant will aid the publication of “Rivers of Ink: Literary Reflections on the Penobscot,” a charity anthology produced in conjunction with the [Bangor Authors’ Book Fair and Festival](#) on December 9, 2023. Writers are invited to submit poetry, flash fiction, short stories, or essays focusing on the Penobscot River and its watershed.

“Rivers of Ink” aims to inspire readers through reflections on the Penobscot River, promoting cultural and environmental awareness. The collaboration between 12 Willows Press and Bangor Greendrinks highlights the press’s dedication to sustainable initiatives and fostering a greener community.
