## SOME BONES WON'T STAY BURIED.

While documenting a remote granite dome on Maine's Pyke Island, geology student Del Corriveau uncovers a hidden cave—and a human skeleton. The remains belong to Chief George, a divisive local figure who vanished five years ago, unearthing old grudges and a mystery someone still wants silenced.

As Del, PI Ty Holden, and journalist Marco Avila dig deeper, they uncover petroglyphs, land disputes, and the fault lines of a community still scarred by loss.

A layered, atmospheric mystery filled with family legacy and long-buried secrets, **Granite and Bones** is a gripping follow-up in the **Pyke Island Mystery** series—perfect for fans of small-town suspense, island settings, and character-driven thrillers with environmental themes.

**“Filled with clues and red herrings, the investigation uncovers secrets and tension that somebody will do anything to keep buried.”**

—*Gabriela Stiteler, award-winning writer*

**“A great mystery series, fast-paced, authentic.”**

—*Dotty Small, retired Maine police officer/detective for 37 years*

**“A perfect 10 in local crime fiction.”**

—*Richard Stockford, author of the Detective Thomas Clipper Mysteries*

---

**Moe Moeller** is the author (as Moe Claire) of the *Pyke Island Mysteries* set in Downeast Maine, in addition to short stories, poetry, and community theater plays. When not writing, she hikes, gardens, sails, enjoys summer and winter in Maine, and volunteers for several local non-profits.
